

# Classroom Strategies

## High expectations for students who are deaf or hearing impaired

a firstvoice centre

Having a student with a hearing impairment has its challenges and this seminar is designed to inform and assist teachers in the classroom to maximise learning outcomes.

### Training Aims - To inform participants about

- Hearing loss and the assistive listening devices used by students with a hearing impairment
- Effects of hearing loss and how it impacts on a student's communication, academic and social skills
- Strategies to assist and maximise the learning of students with hearing impairment in the classroom

**Relevant for Teachers, E.S.O's and S.S.O's**

**A Certificate of Attendance will be provided for this 6 hour seminar**

**Presenters – The Cora Barclay Centre Teachers of the Deaf**

**Guest speakers: Rachael Ward, Teacher of the Deaf and Senior Auditory Verbal Therapist
